Charlotte Friend Will Give $10,000 for Cottage

In Case Y O U Failed to Make Your Thanksgiving Offering the Blank Below Is for Your Convenience

MY THANKSGIVING OFFERING

Date_____

Ernest Milton, Treasurer,
Presbyterian Orphans' Home,
Barium Springs, N. C.

Dear Mr. Milton:

Enclosed is my check for $_____ a personal Thanksgiving Offering to the Orphanage.

Name _____

Address _____

_____

Bulletin

On December 19th, the day of going to press with the December issue of The Messenger, a total of $27,808.62 had been received at Barium Springs as Thanksgiving Offering. This represented completed reports of 323 of the 520 churches in the North Carolina Synod, with about 59.2% of the reports surpassing the 1938 Offerings. There had been 49 churches to establish new 15-year peaks by December 19th.

Based upon a knowledge of what some churches have contributed but which had not reported Thanksgiving Offering by December 19th, a prediction is made that the Thanksgiving Offering of 1939 will hover between $46,000 and $47,000, which will be an increase over the $43,524.62 that was given in the 1938 season. However, substantial decreases in a few reports will nullify that prediction.

OFFICER OF MYERS PARK PRESBYTERIAN CHURCH HAS ASSUMED RESPONSIBILITY FOR ONE BUILDING

Of the Four Proposed Units to Replace the Present Alexander Cottage.—Ladies of the Synodical to Raise Another $10,000.

RECENT DECISION ACTS AS INSPIRATION

Donor Desires That His Name Be Withheld Temporarily.—May Be Revealed When Cottage Is Completed.

A Charlotte friend, who desires that his identity be withheld temporarily, has notified officials at the Presbyterian Orphans' Home at Barium Springs that he will give $10,000 for the construction of one of the four proposed cottages to replace the present Alexander Building.

This announcement by Jos. B. Johnston, superintendent of the Home, means that two of the four contemplated structures are assured, for the Woman's Auxiliary of the North Carolina Synod will start next month on their efforts to raise another $10,000 for a second unit. This action by the Synodical was approved at the October meeting of that body at Rutherfordton.

This recent decision on the part of this Charlotte friend, who happens to be an officer in the Myers Park Presbyterian Church, has been an inspiration to officers of the Barium Springs Orphans' Home as they will endeavor to locate two other individuals who will construct the remaining two buildings. It is thought that perhaps someone can be found who would like to construct a memorial to some loved one. This announcement will also act as an inspiration to the Presbyterian ladies of North Carolina as they launch out in January on their attempts to get $10,000 for one of the units.

The gift of this Charlotte friend was entirely voluntary and came without solicitation from anyone at Barium Springs. He had mentioned about two years ago that he wanted to do something like this for this Home, and when The Barium Messenger recently appeared with an architect's sketch of the proposed quadrangle, his desire to do this crystallized in this decision. He wrote to Barium Springs, inviting an official to come to his Charlotte office for a conference. A few days later he visited Barium Springs, went over Alexander Cottage and the site of the new buildings and before leaving he gave a definite commitment that he would be responsible for one of the units.

For a good many years the Regents of the Orphanage have

Football Banquet Is Held On December 15

The 1939 Barium football banquet started off with a bang, promptly at 6:30 p. m. Friday night, December 15th. The honor guests at this banquet are always the players on the four Barium teams and invited to share with them the measure of this occasion were the senior girls, all members of the school faculty, all of the men workers at Barium, all of the Barium boys who have finished at the home wherever they may live, and many other special guests.

This meal was prepared by the regular Kitchen and Dining Room groups—and was if anything, superior to all other such banquets. Miss Boone Long and Mrs. Mamie Purdy were in charge of all arrangements.

During the serving of the meal, the senior girls entertained the company with music. This part of the program was under the direction of Misses Greene and McKethan.

At the interval between courses, the visitors were introduced. And at the completion of the dessert course, the fireworks started! A number of the guests were called on for impromptu remarks, and this was led off by the first coach that Barium ever had. Dick Kirkpatrick of Charlotte. He was a vol-

(Continued On Page Three)

Home-Comers Have Rain for Festivities

The 1939 scrambled Thanksgiving and the weather man together tended to cut down the attendance on Home-Coming Day. North Carolina had her Thanksgiving on November 30th, but our two adjoining states, South Carolina and Virginia, had theirs on the 23rd. The Home-Comers for Barium's big day do not all come from North Carolina—in fact, a good part of the United States is represented. So this year, the mix-up in the date demoralized the day, with the result that the attendance on Home-Coming Day in the morning was much smaller than usual.

In the afternoon a sizable crowd gathered for the football game in spite of the threatening weather, and the performance on the field was lively enough to make everyone forget the weather. It was one of those football games that movie writers delight in. It had the easy touchdown, it had two touchdowns the hard way with plenty of brilliant aerial fireworks, and then it had the photo finish with a blocked kick featuring the final score, with victory for the home team.

The old timers attended the pep meeting in the morning and livened it up as they always do. Charlie Carriker, Charlie Sears, and Reid Brown were the principal pepperuppers. And between that time and

(Continued On Page Three)

1939 FOOTBALL SEASON

Summing up the doings of the year, the varsity team played 10 games losing 3, tieing 1, and winning 6. And this year Barium did not have a weak team on the schedule!

Morganton, the team that was used as a curtain-raiser and which suffered their worst defeat at the hands of Barium, turned out to be one of the best teams in the state. After losing their first two games, they proceeded to clean up their conference, and finally defeated Gaffney, S. C., in the finals of the season. So we feel rather proud of having defeated this big team.

125-Pound TEAM

The 125-pound team played a variety of teams, some of them were called reserves in which overweight boys played. The B teams that this squad also played were composed sometimes of larger boys who had had a little varsity experience. These are all listed under the 125-pound team as the same Barium boys who participated in each of these games. They started out with a weight limit of 125 and extended this to 130 during the latter part of the season. They played 13 games, winning 11, tieing 1, and lost 1.

100-POUND TEAM

The 100-pound team for the most part played strictly according to weight. The first of the season with a 100-pound limit, and the latter part of the season they got up to 105-pound limit. They played 9 games, losing 4 and winning 5.

85-POUND TEAM

The 85-pounders played 3 games, winning 2 and tieing 1.

You will note that a 3 touchdown margin seemed to be a popular finish for these teams. The 125 won seven games by this margin. The 100-pound 3, and the 85-pound 1.

THE VARSITY

MORGANTON

The season opened on September 22nd at Barium. Morganton was the opposition. We had the advantage of being able to scout Morganton when they played Lexington the week before. And this proved to be a decided advantage, because Barium took advantage of a weakness that the Morganton team had at that time in being slow in getting off their punts. Our boys blocked 4 punts, 3 resulting directly in touchdowns and the other setting us up for a touchdown. Morganton corrected that fault after our game and proceeded to go from there to victory! Barium 31 - Morganton 0.

CHARLOTTE

The next week at night the big Charlotte game was played. This is always played to one of the biggest high school crowds that gather in N. C. This year there were something over 7,000 people present. Charlotte was supposed to run over Barium about like Barium ran over

News From Some Of The Cottages

WOMAN'S BUILDING

Again we find it time to write you about what we have been doing. Since last we wrote you we have had a number of interesting events to take place on and off the campus.

Our week ends as usual have been full of entertainment and we have plenty of entertainment saved for the coming ones.

Most of the boys and girls went to Davidson Saturday to see them beat Erskine, 32-6. Two of our old Barium boys, Eugene Shannon and David Spencer, who are at Davidson, did some playing. We are proud of them and we hope they will continue to play well.

Each cottage is going to do some kind of decorating for Home-Coming which will be December 1st. Our cottage hasn't decided yet what we will do but we hope to get near the prize which is going to be given for the best, if we don't win it ourselves.

We have all been invited to the show again this week to see "You Can't Get Away from Murder." Thanks a lot, Mr. Carter.

Our football team lost to Lexington last Friday but we are looking forward to their beating Albemarle this Friday. They will have only one more game after this one which will be with Gastonia here on Home Coming Day.

We are all looking forward to Thanksgiving. I know we'll all be fatter after eating our big dinner. Here's hoping no one will get sick.

We are still keeping our good health record. We haven't had any one sick in a long time.

It won't be long until Christmas and I am sure everyone is looking forward to it. We have already written Christmas letters.

As news always disappears when you are trying to write of it we'll close for this time.

We'll be back with more news soon, so be looking for us.

As ever,
Nancy Stafford

BABY COTTAGE.

My! My! How time flies! We have almost finished our first school semester and are looking forward to Christmas and its holidays.

Thanksgiving has passed and also our Home-Coming. We were glad to see our "ole timers" back with us again. (It's a secret but we didn't know but a few.) We went to the game but came back before it was over becanse of the rain.

Mr. Charles McNatt is "Tops" with the Baby Cottage boys. Thanks, Mr. McNatt, for the ride in your new Chevrolet.

Wanted: Somebody to teach us how to fly a kite. It all began when some kites were sent to us —big kites. We thank the donor for them but now we need a kite instructor.

Thanks to somebody for the bundle of funny papers. We like to look at them.

Kenneth Mayhew, Jackie Williams, Kazzie Mae Hilliard, and Vivian and Mary Boles have all had visits from their people.

We have had a lot of visitors from the different Churches, Sunday Schools, Auxiliaries, and Young People's organizations.

A group from the Bethany Church, near Graham, brought each one of us a nice little stuffed animal. We enjoy sleeping with them very much and thank you.

We went to the show, "You Can't Get Away With Murder." Thanks, Mr. Sams.

So far this year we have had a good health record at our cottage and we hope to keep it up.

—The Babies

JENNIE GILMER

Well, another month has rolled around and now it is time for some more news. It seems as if we seldom write any news.

Football is over now and we had a good season. We won five games, lost three and tied one. Rex Lewis, our captain, received honorable mention for all-state.

We are now practicing basketball and wrestling. Our first game is December 12 with Cool Springs. We ought to have a pretty good season as we lost only one man - Lee Spencer, center. We have a good bunch of boys to take his place. The girls should have a good team also. They lost only two and won the South Piedmont Conference last year. Captain Rex Lewis, Ed Cole, William Smith and Hugh Norman are the veterans on the first team. The boys have new basketball uniforms.

We have about fifteen out for wrestling. Captain Jesse Weeks is expected to lead the team to victory. We had won the state meet for the last five years, being beaten by Greensboro 58 to 52 last year. We haven't many experienced members on the squad. We have our first meet on the 19th of December with Durham, here. The ones who don't go out for basketball or wrestling major in pingpong. We have the football banquet on Friday, December 15.

We have many new "cases" starting since Christmas is around the corner, so if you notice a certain girl paying attention to you, don't think you're a Gable but remember that Christmas is just around the corner. Watch out Dorton.

John Irby McDonald seems to be a real hunter by all the rabbit hollows he has set in the woods, but I don't remember seeing him with any rabbits.

Arthur Roach and Henry Alessandrini attended the Orphanage Conference at Raleigh last week. They reported as having a nice time.

Well, be expecting more news next month. We all hope for you a Merry Christmas and a Happy New Year.

—David Burney

December 12, 1939.

INFIRMARY

It's only a few days to Christmas and half of our school year gone. It seems only a short time since school began. We have received our report cards once and all the girls at the Infirmary received show tickets for good work.

We haven't been having many patients, though we do have one now. Ray Lewis has been with us about three weeks. The general health of the campus is very good.

Mrs. Grier spent a few nights with us while Mr. Grier was away and we were very glad to have her.

We had a nice Thanksgiving dinner and everyone enjoyed it. We thank all who helped in any way to make it possible for such a nice dinner.

We had our Home-Coming Friday, December 1. There were lots of old boys and girls who returned. Although it rained our boys' spirit wasn't dampened. We won the game 13 - 12.

—Lillie McDonald

ANNIE LOUISE

Here we are again bringing you the news of the Annie Louise girls direct from them. It seems to us that we wrote you just a short time ago.

We all had a nice Thanksgiving and happy Home-Coming. All of us enjoyed seeing all the old boys and girls who used to stay here with us.

Our little kitten, Blackie, is getting along fine and said to tell you all hello.

We will have a lot of birthdays this month and we all know each person will have a happy one.

Christmas is just around the corner and we hope you will have a Merry Christmas. We know we will.

You will hear from us next time

—Annie Louise Girls

Dec. 6, 1939.

HOWARD

Dear Friends,

It seems only last week that we last wrote you.

We had Home-Coming last Friday. We beat Gastonia 13-12 for the old-timers. We hope they enjoyed it as much as we did and also hope they will come again.

Howard Cottage won second place on decorations for Home-Coming with Jennie Gilmer first. Boy! We sure worked hard for it.

Christmas is just around the corner and are we glad.

Miss Woods has left us and we miss her very much. We are glad to have Miss Moose to come and live with us in her place.

Ernestine Baldwin, Mildred Monroe, and Lucille Stricklin got show tickets for the last month.

Mary Ruth Gregory, one of our girls, had an operation for cross-eyes. She has straight eyes now.

Janie Hall, Frances Bowles, Lillian Cranfill, Hannah Price, Toni DeLancey, Dudley and Mildred Monroe had isits from their peoples since we last wrote you.

We went to the show about two weeks ago. Thanks a lot, Mr. Sams.

It's about time we quit and got got ready for school. So we'll be seeing you next month.

—Dewey Belle Buie

Dec. 6, 1939.

SYNOD'S COTTAGE

Dear Friends,

Here we are again bringing you the news.

We gave a little program for Mrs. Voils' circle in Mooresville. Then they gave us a party. We had a Christmas tree and all of us had a sack of candy on it. We were then served cake and ice cream.

We get out of school the 21st for the Christmas holidays. We can hardly wait 'til Christmas.

Our Mooresville friends sent us lots of funnies and magazines.

Norvin Hillard's uncle brought us all some oranges. Thank you so much.

Miss Stevenson, who used to be assistant matron here, was married in the Church. We all got to see her wedding.

We are all being good so Santa Claus will come to see us all.

Here is hoping you'll have a Merry Christmas and a Happy New Year.

1939 Football Season

(Continued From Page One)

Morganton. But the Barium team rose to supreme heights that night, and the final score was Charlotte 7 - Barium 0. Roach, Lewis Cole, and Beshears did splendid work in the backfield. And the line kept Charlotte bottled up the whole night.

SALISBURY

On October 6th we played Salisbury on Sloan Field. And they gave Barium a complete fit. They started out rather uncertainly but got stronger as the game went on, finally scoring a touchdown. And the score stood at 6 to 0 in favor of Salisbury until the game was all over but 5 minutes. Barium could push Salisbury about in the middle of the field, but could not get the ball over the goal line. Just before the game ended, Salisbury started passing. And that is where Barium's luck became effective. Howard Beshears intercepted one and ran it for a touchdown. A few minutes later Roach intercepted one and carried it to the 6-yard line, from which point it was pushed over. The final score Barium 14 - Salisbury 6. When that game was over we felt like we had an overdose of luck. And as it turned out, we used up all our luck that might have been used in the next game.

CHILDREN'S HOME

On the night of October 12th we journeyed to Winston-Salem to take on the Children's Home team, feeling that we had some chance for victory. But on that night everything went wrong for Barium, and everything went right for the Childrenn's Home. It was almost like the Children of Israel crossing the Red Sea. The Methodists were the Children of Israel and Barium the Egyptians! It ended up with a score of 40 to 0 in favor of the Children's Home. And a very dejected crew came back home to get their house in order for the rest of the season. In that game there were 11 men playing for Barium, and 11 men and a bewitched football playing for Children's Home! When Barium would kick, the ball would hit the ground and start going towards Barium's goal. When the Children's Home would kick, the ball would travel toward Barium's goal again. And the same way with fumbles and everything else. That ball was determined to cross our goal line as many times as possible.

HICKORY

The following week-end at Hickory at night, Barium came back to life again. We knew that we were going up against a team that was as strong as the Children's Home, although they had suffered a defeat several weeks earlier. But that was one night when Barium seemed to do everything right. And everything they attempted clicked! They took the ball on the kickoff and marched down the field for a touchdown without giving it up. Ed Cole made the final 20 yards with a beautiful reverse off-tackle. Then Barium kicked off to Hickory, and Hickory took that ball right down the field for a touchdown without relinquishing it. Later on in the game a pass from Roach to Cole was another touchdown for Barium. And then right at the last of the game Hickory made a touchdown. But nobody completed any points-after. The final score was Barium 12 - Hickory 12. This was a tie game with both teams happy!

KANNAPOLIS

A week later we were at Kannapolis at night. Barium went up against the aggregation that gave them their worst defeat in 1938. The teams seemed evenly matched. But a beautiful pass from Roach to Cole resulted in a touchdown for Barium, with Lewis completing the point with a place-kick. We came home with a hard earned victory of 7 to 0. There were times when the Kannapolis team pushed Barium all over the field, but never near enough the goal to be dangerous.

CONCORD

After a week's rest Barium took on Concord in the afternoon at Concord. This was the first away-from-home game played in daylight. Concord had a big strong team and Barium was distinctly the underdog. To add to their troubles, on the very first play of the game (the kick-off in fact), Ed Cole was injured and had to be sent to the hospital. It turned out that his injury was nothing more serious than a broken nose. But for a time it looked like it might have been worse. The team was upset over the loss of this very important member of our team, and for a time it looked like Concord would run over us. Barium rallied in the shadow of goal posts. And with Joe Ben Gibbs trying to make us forget the loss of Ed Cole, the team rose to a 13 to 0 victory over Concord. Every man on the team played such good ball that it would be out of place to single any one man out as the hero of this encounter. The way those linesmen bottled up Allen, the triple-threater of Concord, and opened up holes for the backs to truck through makes us think of this game as the LINESMEN game, and yet the backfield played superlative ball.

LEXINGTON

On November 17th Barium entertained the big team from Lexington, the team that has been victorious over every team they have gone up against in the conference and out. Lexington is rated by most sports writers as the Number 1 high school team of the state. They are big, fast, and aggressive. Last year they defeated Barium at Lexington 13 to 6. This year they came to Barium to make a more impressive victory! But Barium, even with two of the best players on the bench, gave Lexington one busy afternoon. The final score was Lexington 7, Barium 0. But in the last quarter the Lexington coach and team were so nervous that even the spectators lost weight. Barium kept the ball in Lexington's territory the entire last quarter. The forward passes were almost good, but in their eagerness the boys froze up a little, and the game ended with a Lexington victory.

ALBEMARLE

On November 24th Barium went to Albemarle and played the last of the Conference games. Albemarle had previously been defeated by the Children's Home only, and that by the margin of one touchdown. Albemarle was shy their best back in Mabry. Barium had their quarterback Roach sitting on the bench. So the teams went into the fray on equal terms. On the ground Albemarle seemed to have the big advantage, but in the air Captain Rex Lewis' passing to Hugh Norman was the medicine that poisoned Albemarle. With the final result that Barium came home the victor 12 to 0. In this game Ed Cole returned to the wars. He had a contraption over his face to protect his more-or-less sensitive nose. The first time he took the ball, he was tackled pretty hard. And when he found out that it didn't hurt, he purely went to town in the rest of the game. He returned punts, he returned kick-offs, he ran with the ball. And one of the prettiest runs of the game would have been credited to him except for the fact that the play was called off on a penalty. He carried the ball 32 yards off-tackle for a touchdown, but on the play someone was guilty of holding. And that run doesn't go in the record book. Both of our touchdowns were made from the same kind of play. And in this game neither touchdown had the point-after completed. The final score, Barium 12 - Albemarle 0.

GASTONIA

On December 1st the final game of the season was played at Barium. Home-Coming Day! And Gastonia was the opposition. This turned out to be one of the best games played in high school circles this year. Gastonia came to Barium with a spotted record — some games they had shown up well and others not so well. Barium expected to win this game. And before the game was two minutes old, it looked like Barium was going to have an easy time doing it. On the kick-off William Smith fumbled the ball and then gathered it up in his arms, and took out down the side-lines carrying it 43 yards—and almost scoring a touchdown. Three plays later a pass from Roach to Norman accounted for a touchdown. It was a beautiful forward pass, exactly like those used against Albemarle. Lewis kicked the extra point. And then the team strolled back on the field to enjoy a pleasant afternoon and got a very rude surprise. Gastonia woke up! And they disclosed the fact that they had two or three boys in their backfield who are going to be heard from later. Jordan, a pile-driving fullback who displayed the best kicking we have ever seen in high school circles this year, Shepherd a boy who can carry that ball and pass and the harder you tackle him the harder he runs on the next play. Well to make a long story short: Before we had gotten to the middle of the 3rd quarter, Gastonia had scored 2 touchdowns. The first one was a beautiful forward-lateral with Armstrong carrying the ball to the 6 yard line, from which point Jordan carried it over in four plays. The second one was a 70-yard run by Shepherd and was a cutback over tackle. And then Baruim realized that they had a good many chores to do if they were going to hold to the record of never having lost a game on Home-Coming Day. And they went to town. They would get that ball down to the 10-yard line and lose it. Gastonia would kick out. Then they would get it back to the 10 or 20 yard line and lose it again. And that is the way it went up until the last few minutes of the game. When with the weather getting worse, the rain getting heavier, and the ball getting slicker, the inevitable happened. Jordan was just a little slow in getting off a kick. It was blocked by John Cole McCrimmon and recovered in the end zone by William Smith. And there was the ballgame 13 to 12 in favor of Barium. In this game, Rex Lewis, Howard Beshears, Ed Cole, Clarence Robards, Henry Alessandrini, John Cole McCrimmon, and William Smith played their last game for Barium. And all of these boys had a hand in bringing about victory. It was McCrimmon's blocking of the punt, Smith's recovery, and Rex Lewis' kicking the extra point that gave Barium the game.

Charlotte Friend To Give

(Continued From Page One)

wanted to eliminate the Alexander Building as a dormitory, for the minutes of that governing board contain definite actions as far back as 1930. However, a cumbersome indebtedness hindered efforts to raise money for construction of new buildings, but with that indebtedness lifted the way was paved for a more concentrated effort to discontinue the use of a building in which boys were temporarily placed in 1920, it has been said by a former member of the Board of Regents.

Should the ladies in the Presbyterian Church of North Carolina be successful in raising their $10,000 within the next three or four months, then construction of two of the four proposed units will go forward this Spring. By that time, officials at the Orphanage hope that all of the $40,000 necessary will have been given to complete the quadrangle. Money from the Auxiliaries in North Carolina has already started arriving at Barium Springs, and it is believed here that the more than 27,000 ladies will carry through to completion their efforts to forward that sum to this Home by the middle of April.

When the building that this Charlotte friend is giving has been constructed and the time arrives for naming the cottage it is believed that he will then give officials here permission to reveal his identity. Until that time, thousands of Presbyterian friends will rejoice that some unknown party has been generous enough to donate $10,000 for one of the much-needed buildings.

Income Distribution No. Organizations

On November 30th, the regular giving of Synod was $906.69 greater than it was on the corresponding date of 1938, which was a big encouragement to Barium officials as they entered the all-important Thanksgiving month. Sunday Schools were responsible for an increase of $715.81 in eight months, the Church budgets had shown an increase of $365.10, with a decline of $174.22 in the Auxiliaries' regular giving.

Total regular receipts for eight months were $23,578.34, of which Sunday Schools had sent $11,261.01, Church budgets, $7,848.71, and Auxiliaries, $4,468.63. On a percentage basis that meant 47.7% from Sunday Schools, 33.3% from Church budgets and 19% from Auxiliaries.

The regular total is apportioned to organizations in the nine Presbyteries as follows:

Presbytery	Ch.	S. S.	Aux.
Albe.	$ 293.10	$ 661.97	$547.15
Con.	1,451.14	1,921.58	554.37
Fay.	538.01	1,726.15	391.92
Gran.	422.03	387.62	407.33
K. Mtn.	138.12	1,429.54	416.43
Meck.	2,649.69	2,307.59	642.76
Or.	527.16	1,375.22	819.59
Wil.	821.16	648.13	225.77
W.- S.	1,008.30	803.21	463.31
TO.	$7,848.71	$11,261.01	$4,468.63

In eight months, 637 organizations had participated in Barium's regular aggregate - 267 Sunday Schools, 198 church budgets and 172 Auxiliaries. Information about this follows:

Pres.	Ch.	S. S.	Aux.
Albemarle	11	21	15
Concord	41	40	13
Fayetteville	27	52	41
Granville	17	12	13
K. Mountain	14	26	16
Mecklenburg	27	41	25
Orange	27	33	20
Wilmington	15	32	19
W.-Salem	19	10	10
SYNOD	198	267	172

Home-Coming

(Continued From Page One)

dinner, the visitors made the rounds to see the Home-Coming decorations that each cottage had made in honor of the occasion. The first prize was awarded to Jennie Gilmer Cottage and the second to Howard Cottage, with honorable mention to Synod's Cottage.

After dinner there was a meeting of the Alumni Association. In the absence of the president, William Hudson, the meeting was called to order by Ann Fayssoux Johnston. The following officers were elected: President, Charlie Carriker, Winston-Salem, of the class of 1923; Vice-President, Lafayette Donaldson, Statesville, of the class of 1931; Secretary-treasurer, Lucile Burney, Barium Springs, of the class of 1937. The Thanksgiving contributions by the association total up to the time of this writing $120.50.

When Home-Coming Day was originally started at Barium, the date was set near a legal holiday so that the more distant alumni could utilize that holiday as part of the trip. But in recent years this has appeared to be more of a handicap rather than a help. So it is very likely that the 1940 Home-Coming Day will be set earlier in November, possibly November 1st.

Although the attendance this year was smaller than usual, the enthusiasm if anything made up for what it lacked in numbers. A more enthusiastic and happier crowd could not have been brought together anywhere. And we might add that a better looking crowd couldn't have been assembled together anywhere. We are led to make this statement by the remarks overheard among some visitors that we had on Home-Coming Day who were not in any way connected with Barium Springs.

Football Banquet

(Continued From Page One)

unteer coach who came up from Charlotte several afternoons each week and gave Barium its first taste of real coaching. All Dick ever got out of this was a fountain pen presented by the boys at one of the very first banquets. Dick still has this pen and showed it to the assembly as something that would stick by him the rest of his days.

Lawrence Spearman represented the Davidson group and prefaced his remarks by saying that Hitler had saved his own life by cutting his speech short! And he would try to emulate him. Stewart from Monbo, who was introduced as Barium's most consistent and complete fan, claimed credit in his remarks for conditioning Barium's football players. Stewart pitches for Monbo baseball team. He said that every time he pitched against Barium, the boys knocked so many three-baggers and home runs that they got to be mighty fast runners by the time that fall came around.

Jim Gray, the number One Alumnus of Barium, covered a lot of territory in his remarks labeling them punts, passes, blocking, and interference. And as usual, his remarks were most highly appreciated, particularly by the younger members of the Barium family. Jim has established himself so firmly as the favorite at Barium that he doesn't have to waste any time selling himself to his audience.

Rev. Tom Cook wound up the speeches with a series of "Toasts" and "Roasts". This was handled as only Tom Cook can handle a thing of this kind. His friendly wit embraced so many of those present and in such a good humored way that the rest of the guests were really hoping they would be included in his remarks.

The letters to the **85-pound team** were presented by Ralph Spencer, one of Barium's most outstanding athletes and now an employee of the home. It happens that most of the 85-pound players are under his direct supervision in their dairy duties at Barium.

Ed Flowers, another famous athlete of Barium, delivered the letters to the **100-pound team.**

The letters to the **125-pound team** were presented by Jim Johnston, a boy who played on all four weight teams while at Barium.

The **Varsity** letters were presented by David Spencer, one of Barium's outstanding athletes now a regular on the Davidson varsity.

At the completion of these, the toastmaster gave something of Barium's record for the past year and the schedule for 1940. A complimentary letter was given to John Lewis, the captain of the 1938 85-pound team, who has been an invalid since last summer and still unable to even attend the banquet. The letter was awarded because of this lad's courage and patience under a most painful and dangerous disease.

Complimentary remarks were made about the spirit and courage of the Barium teams, which was shown in every game of the 1939 season. And to the coaches for their skillful preparation for each game on a hard and long schedule.

Mr. Frank L. Johnson presented $15 to Rex Lewis, who was voted by his team mates and coaches as the most valuable member of the Barium team. Mr. Johnson presented $10 to Ed Cole, voted the second most valuable member.

The Blocking Medal was awarded to Howard Beshears. The Tackling Medal was awarded to John Cole McCrimmon. These two were gifts of Mr. Alwyn Morrison in memory of his mother.

Mr. Johnston announced that Arthur Roach had been selected by his teammates as the captain for the 1940 season.

The toastmaster for this occasion was Joseph B. Johnston, pinch-hitting for R. G. Calhoun, the always-most-competent-presider at these occasions.

Letters were awarded to the following boys:

85-POUND TEAM

Edgar Long, Clifton Barefoot, Roscoe Smith, Ed Blake, Leland Rogers, Esau Davis, Bennett Baldwin, Bobby Whittle, John Hawley, Richard Shoaf, O. D. Mundy, Wilbur Coats.

100-POUND TEAM

Marshall Norris, Cecil Shepherd, Ben Lewis, James Shepherd, Bill Tyce, Pleas Norman, Joe Long, Mott Price, Hervey Strickland, Bobby Whittle, Jack Weeks, Charles Hooten, Frank Denson, A. C. Gant.

125-POUND TEAM

George Lewis, Dixon Parrish, David Burney, Lacy Beshears, Tom McCall, Jack McCall, Charles Starling, Cecil Starling, Albert May, Joe Ben Gibbs, Ed Williamson, Tommie Linsday, James Shroyer, William Billings, A. G. Norris, Grover Ingram, Vance Smith, Hervey Stricklin, Russell McKenzie, Wootson Davis, Paul Burney.

VARSITY

Jessie Weeks, Clarence Robards, Willard McCall, Henry Alessandrini, Donald Bolton, Lacy Beshears, William Smith, Hugh Norman, John Ellis, Arthur Roach, Rex Lewis, Ed Cole, Howard Beshears, Joe Ben Gibbs, Henry Pittman, John C. McCrimmon.

S. S. Meals

Since the Sunday Schools were $715.81 ahead of last year's giving on November 30th, it means that members of those organizations have been responsible for 7,158 more meals in eight months at ten cents per meal per child. The following shows how many meals could have been served with the Sunday School responses in the past 32 months:

Month	'37-'38	'38-'39	'39-'40
April	7,569	7,012	6,797
May	11,776	13,469	15,146
June	14,433	11,724	12,905
July	15,158	15,480	13,402
August	12,999	11,449	17,404
Sept.	14,480	15,530	14,089
October	17,957	17,779	19,675
November	15,168	13,009	13,203
December	15,519	15,479	?
January	14,693	15,459	?
February	11,734	13,480	?
March	36,318	37,113	?
Totals	187,804	186,983	112,619

RECEIPTS BELOW COVER PERIOD FROM NOVEMBER 1ST THROUGH NOVEMBER 29TH.

REGULAR Clothing Outfits

Oakland Aux., Mrs. Agnes Rand, Wilmington.
Amity P. Y. P. L.
Mebane S. S., W. W. Class

NOTE OF APPRECIATION FROM THE BOOKKEEPER AND CLOTHING SECRETARY:

All but 2 of the 80 clothing outfits have come in and there are only 36 out of the 207 yet to send funds for clothing. You have no idea what a great help it was to have all this so early, clearing the way for Thanksgiving funds. It means all the work did not pile up at one time and your thoughtfulness and cooperation are warmly appreciated.
